

Jane Grecic, Headteacher Welcome Message (2014 – 2017)

May I offer all our visitors a warm welcome to our school website. This site is designed to give you a glimpse into the life of the school and share something of the wide, varied and exciting opportunities that are available to our pupils, their families and the staff.

Lansbury Bridge School and Sports College is a large special school that caters for 222 pupils aged 3 – 16yrs. All of our pupils have a full Statement of SEN or an EHCP which reflects their complex learning and/or medical needs. Many of our pupils also experience autistic spectrum conditions.

The school was purpose built and opened in 2005 with the aim of enabling our pupils to achieve maximum independence in a barrier-free environment. The resources for our children and young people are excellent and include a full sized sports hall, swimming pool, hydrotherapy pool, multi-sensory studio and sensory interactive library. We have specialist provision for science, design technology, food technology, art and information technology. Our external areas are equally well resourced with grass and hard pitches, play and leisure facilities along with dedicated horticulture and garden spaces.

We teach all areas of the national curriculum, differentiated to address the individual learning needs of our pupils. Our curriculum is age-appropriate, stimulating and exciting. We will always be striving to improve our school further and will continue to aim high to be the best we can be by putting children at the heart of everything we do.

It is a real privilege being Head Teacher of Lansbury Bridge as we have fantastic pupils supported by a dedicated and highly motivated staff team who are committed to improving the lives of our pupils.

At Lansbury Bridge, we have an open door policy for parents and carers. If we cannot help immediately we will always do our best to answer or respond to any information required about the school. We believe that working in partnership with parents is key to a successful education

If you have any questions that are not answered in this website, please do not hesitate to contact us by phone or email and we will be very happy to help.

Mrs Jane Grecic

Headteacher.
